Participant/Presenters

Annie Beckham, LCSW completed her post-graduate work in Art Therapy at Pratt Institute. She is currently a Therapist/Consultant at AMHC specializing in child, family and adolescent outpatient services.

Jennifer Blanchard, LCSW-C, RPT has worked for over 10 years as a counselor in a PreK-12 school, supporting children, parents, and faculty. She provided consultation on Life Skills curriculum development. She specializes in sandtray therapy in her private practice with children, adolescents and families.

Michelle Bittrich, LCSW, has worked in outpatient, group care, residential treatment and school settings. Currently she works at The Acadia Hospital providing outpatient therapy. Her special areas of interest are working with younger children and with children & adolescents with autism spectrum disorders.

Barbara Bland, LCSW works with adults, teens, children and families in her private practice in Ellsworth. Her area of specialty is addressing childhood trauma issues as well as grief and life transitions. She uses Phase Oriented Trauma Treatment, play therapy and other approaches in her client-centered work.

Patricia Bradstreet, LCPC-C, RPT has 34 years of experience working in public education, she is currently employed as a school counselor in a K-8 school. Patti is in the process of starting a private practice in Brewer working with children, adolescents and families.

Sue Carroll Duffy, Psy.D., RPT-S is a psychologist working at Pleasant Point Health Center and in private practice. She is a RPT-S and CE Provider for APT. She is developing the *Moving Stories Method*.

Serita Corey-Childs, LCSW, RPT-S has worked in Adult Crisis Services (suicide hotline and mobile outreach), Community Outpatient and Residential Mental Health and Treatment Level Foster Care. Currently she is employed by Harrington Family Health Center where she sees both Children and adults.

Ginny Everson Pond, M.Ed, MSW, LCSW works at Lubed Medical Center. She is a level II EMDR therapist, level I Reiki practitioner. She is interested in applying neuroscience perspectives in treatment of anxiety spectrum disorders, including PTSD.

Stephanie Francis, LCPC/RPT/NCC has 35 years in education—the last 12 years as a school counselor at the elementary and middle school level and the first 23 as a special educator. Presently, she is a preschool to grade 5 School Counselor, using child-centered play therapy and Theraplay. Work with teachers and parents is also an area of interest.

Robyn L. Greene, LCPC has worked at Northeast Occupational Exchange for 13 years. Her specialty is family reunification and abuse counseling. She developed and facilitates a non-offending parent group for parents of sexually abused children and a non-offending partner of domestic violence group. She teaches parenting skills (Incredible years model).

Jeanie McPherson, LCSW is an LCSW in private practice in Ellsworth, Maine. She works with community outpatients, DHHS, foster care, and the court system. Jeanie works primarily with children, adolescents, adults, and families who have extensive trauma histories.

Connie McVey, LCSW, has been a child and family therapist for the past 17 years. Connie has worked in child and family therapy clinics in Washington, DC and Boston, and most recently at Acadia Hospital in Bangor as an outpatient therapist. She specializes in play therapy, sandtray therapy, and is trained in both EMDR and Ericksonian Clinical Hypnosis.

Kandi Robertson, LCSW has been practicing for the past five years after graduating from The University of Maine. She has a mixed caseload currently at the Harrington Family Health Center. Kandi is working toward her Registered Play Therapy certification.

Lauren Simpson, LCSW has worked for the last 10 years with individual, group and family therapy to children and adolescents in residential treatment at the Calais Children's Project. Lauren brings body-oriented interventions to her practice, Cognitive Behavior Therapy and DBT.

Pat Todd-Lewis, LCSW / CADC is a graduate of the University of New England College of Health Professions and works at the St. Croix Regional Family Health Center in Princeton Maine providing mental health care to individuals and families. Patricia's particular interest is working with the adolescent population.

Cancellation Policy: Presenter/Participants are required to present once during the year. If a presenter is unable to present they are responsible to find a replacement Presenter and will be rescheduled for a future event. Payment is nonrefundable.

Size: Limited to a total of 18 participants (visitors, past presenters, and presenters).

Continuing Education Credits: Certificates of Attendance will be awarded for each presentation. Each day is designed to provide 6 CE Credits or Contact Hours. Partial Hours permitted with approval. By The Sea Seminars is responsible for the workshops. For workshops with "Play Therapy" in the title, CEU's can be used towards becoming or maintaining Registered Play Therapist status. By The Sea Seminars is approved by the Association for Play Therapy, Inc. to offer continuing education (04-144). By The Sea Seminars remains responsible for the workshop. The Board of Social Work approved 6 CEU's per workshop. Per the Maine Licensed Professional Counselors Board, it is up to the individual to decide if the program enhances his/her professional competence.

Workshop Locations

October Workshop: Christ Church, 21 Key Street, Eastport. Take Route 1 to Route 190 into Eastport. Take a right on High Street and a left on Key Street. Christ Church is immediately on the left. The telephone number is: 853-4598.

2010 to 2011

Roundtable Series

Program Description

The Roundtable provides mental health clinicians in the Downeast area with the opportunity to be participant-presenters—learning from each other, providing peer support and researching and presenting in areas of personal interest. The Roundtable also hopes to support/develop play therapists.

October 22, 2010: Eastport

March 18, 2011: Harrington

June 24, 2011 Whiting

August 12, 2011 Bangor
